Sir,

Land acquisition--Hadagalli Town-site for construction of a postmortem shed--applications for funds.

The permanent mortuary at Hadagalli is situated in the bed of the vanka more than ½ a mile from the dispensary and is in a dilapidated condition. As considerable difficulty is felt in conducting post mortems during rainy season the Dt. Medical Officer considers the construction of a temporary shed close to the dispensary absolutely necessary.

2. There is no suitable site at the disposal of Government for this purpose. An extent of 15 cents of patta land is therefore proposed to be acquired at the cost of Government which is estimated at Rs50. Under article 4(a) of the Local Board's Manual the charge is debitable to Provincial revenues. As this is a new charge not already included in the sanctioned grants, the Registrar of the H. Court of Judicature suggests that, under article 109 of the Madras Treasury Manual-Vol. I, sanction of Government may be obtained for incurring the expenditure. The requisite sanction may kindly be accorded.
